

Domus Club-2 Soft

08391 Do you want to sit together or alone? The Domus Club makes ample combinations possible. Standing up is no problem, thanks to the firm, rounded armrests and the adapted seat height.

Support

- 2 sides and a seat structure.
- The rounded sides consist of 2 OSB boards, and are firmly connected to the seat structure by means of solid beech beams.
- The sides are upholstered with fire-retardant foam.
- The upholstery is finished with imitation leather and decorative stitching in the same color.
- It is possible to combine different colors for the sides and the seat structure
- Comfortable wide armrests of ± 10 cm.
- All edges and corners have been rounded.
- No visible fastening elements.
- Solid beech legs, equipped with synthetic glides.

Seat structure

- Backrest and seat offer extra comfort, thanks to the comfort foam (backrest= 9cm and seat=11cm).
- The rounded seat in front stimulates a fluent blood circulation.
- Comfortable seat height of 44 cm.
- Upholstered with fire-retardant foam.
- The upholstery is finished with imitation leather and decorative stitching.
- The open space under the seat contributes to stand up effortlessly and facilitates an efficient maintenance.
